Desperado

We will "Take it to the Limit" this year by starting the season with an Eagles Tribute! Desperado will perform all the favorite Eagles songs such as *Hotel California*, *Take it Easy*, *Take it to the Limit*, *Desperado* and many others. Come and rock with us to another fantastic band!

July 15

Sirsy

SIRSY is a rock, pop, and soul duo from Upstate NY. They write honest songs, full of sing along melodies, with lots of heart and just the right amount of sass. "It's edgy-feel-good music that's fun to watch". SIRSY is fronted by charismatic vocalist/ drummer Melanie Krahmer who has "one of the most powerful and flexible voices you'll ever hear." (-Times Union) At live shows, Mel also plays bass on a keyboard with her drumstick & throws in a few mean flute solos too. Guitarist, and Mel's husband, Rich Libutti plays a road worn and well-loved Rickenbacker guitar through a pedal board full of vintage effects. Live, Rich also plays bass on a pedalboard with his feet. So, these multi-instrumentalists manage to sound like a full band, despite there being just two of them.

Big Medicine

Rick Bolton is coming back with the Big Medicine Band! We loved them each time they have played here in Ticonderoga, and we know the Hague folks all come up to dance and party to their music. Strong vocals and harmonies by all members are accompanied by supple R&B and folk-rock grooves with rich acoustic-based textures. A healthy dose of originals, seductive renditions of songs by others, and an unbridled creative energy – you will want to get up and dance when you hear them so be ready to kick up your heels!

July 29

Margaritaville in Ti

John Haggerty and the Little Jack Band is returning with their Jimmy Buffet Concert!! You asked for them to come back and they agreed. So, get out your Hawaiian Shirts, Parrot Hats and come for another fantastic concert!

August 5

Across The Pond

Across the Pond is a Beatles Tribute Band. They are a group of musicians paying tribute the music of the Beatles, staying focused on the style and music of the Beatles and not the impersonation of the Beatles themselves.

August 12

Warden and Co.

Warden and Co. sounds range from the Tom Petty-esque, driving rock anthem "Living for Love," to the delicate, father-daughter harmonies of the titular track (featuring Warden's daughter, Lovella). The band, featuring frontman Warden, violinist and vocalist Moody, and drummer Melick, has created a mood of emotional tenderness, meeting in a special place where rock, folk, and Americana converge. And the feeling is personal, familiar, and, yes, true.
