LEADERSHIP DEVELOPMENT

MARCH 12TH

UNDERSTANDING YOUR LEADERSHIP STYLE & BEING A LEADER IN YOUR COMMUNITY

Identifying and understanding your leadership style as well as other styles is important as you further develop your skills and abilities. This workshop will do just that as well as focus on how to be a strong leader in your community.

MARCH 19TH

FUNDAMENTALS OF EFFECTIVE LEADERSHIP & FOSTERING A THRIVING TEAM

Learn about the fundamentals of effective leadership and explore a transformative framework designed to guide leaders. This workshop will dive into the power of relationships as the cornerstone of impactful leadership, where the way you connect with those you lead becomes the foundation for how you inspire, impact, and influence.

MARCH 26TH

STRESS & LIFESTYLE MANAGEMENT FOR LEADERS - LEADING BY EXAMPLE

Leadership isn't just about guiding others, it's about how we show up for ourselves so we can show up powerfully and positively for those we lead. This workshop offers a transformative dive into this topic and leading by example.

FOLLOW UP

WE ARE HERE TO ASSIST YOU! TACC, ANCA, & WORKSHOP PRESENTERS

TACC, ANCA, and Workshop Presenters may be available for brief follow up appointments for attendees if specific assistance is needed. Contact the Ticonderoga Area Chamber of Commerce by emailing Matthew Courtright (mcourtright@ticonderogany.com) for more information.

This Leadership Development & Strategic Planning Workshop Series is being made possible by a USDA Rural Business Development Grant.

Thank you North Country Community College for being our host location.
